**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We deserve the right to a free and competitive market. By making it harder for other internet companies to come into the market, you are creating a dictatorship. This makes it so that people of working class can no longer vote with their dollar. In between all of the money that is put into politics to make things more "capitalist" I find it hard to believe that instead of trying to create more competitions you are hindering other ability to do so.
